

BRAND ESSENCE

Luxury inbound safari specialists across Southern & East Africa. Consultation-led, not a booking platform. The identity should read as authority, craft and restraint — closer to Aman or Singita than a travel agency.

COLOUR SYSTEM

Ratio 60 / 30 / 10 — Ink/Charcoal · Ivory/White · Brass (signal only). Brass always takes white text.

Retired: pale gold #C8A96E. No new accent colours, ever.

PHOTOGRAPHY DIRECTION

Seek: golden hour · one clear subject · wide negative space · warm desaturated grade.

Avoid: flat midday light · stock grids · oversaturated HDR · text on busy detail.
